2019 MONTHLY FINANCIAL UPDATE

Overlake Family, thank you for affirming the 2019 budget by an overwhelming margin. We love that we were able to meet our 2018 budget in December and finish the year in the black. Our goal is to update you regularly on our financial situation throughout the, so we will post how we are doing each month. Our needs/hard costs are fairly consistent, and we have a **budgeted need of \$96k weekly**. Through the month of January, **our weekly average was \$81k**. May God bless you as we continue along this faith journey together.
