**Grace \_\_\_\_\_ our relationship  
with \_\_\_\_\_ and our relationships with  
\_\_\_\_\_**

*Dear brothers and sisters, if another believer is overcome by some sin, you who are godly should gently and humbly help that person back onto the right path. And be careful not to fall into the same temptation yourself. Share each other's burdens, and in this way obey the law of Christ. If you think you are too important to help someone, you are only fooling yourself. You are not that important. Pay careful attention to your own work, for then you will get the satisfaction of a job well done, and you won't need to compare yourself to anyone else. For we are each responsible for our own conduct.*

**Galatians 6:1-5 NLT**

**Grace leads us to have \_\_\_\_\_ &  
\_\_\_\_\_ with others**

*So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other. Your love for one another will prove to the world that you are my disciples." John 13:34-35 NLT*

**Grace leads us to \_\_\_\_\_  
\_\_\_\_\_**

*Teacher, which is the most important commandment in the law of Moses?" Jesus replied, "'You must love the Lord your God with all your heart, all your soul, and all your mind.' This is the first and greatest commandment. A second is equally important: 'Love your neighbor as yourself.' The entire law and all the demands of the prophets are based on these two commandments."*

**Matthew 22:36-40 NLT**

*Whatever you give is acceptable if you give it eagerly. And give according to what you have, not what you don't have. Of course, I don't mean your giving should make life easy for others and hard for yourselves. I only mean that there should be some equality. Right now you have plenty and can help those who are in need. Later, they will have plenty and can share with you when you need it. In this way, things will be equal. As the Scriptures say, "Those who gathered a lot had nothing left over, and those who gathered only a little had enough." 1 Corinthians 8:12-15 NLT*

**We are a family that has \_\_\_\_\_ grace,  
so we \_\_\_\_\_ grace**
