

Kid's Baptism

parent-child workbook

for kids 1st grade – 5th grade

Kid's Baptism @ Overlake

*"Go therefore and make disciples of all nations, **baptizing** them in the name of the Father and of the Son and of the Holy Spirit, **teaching** them to observe all that I have commanded you. And behold, I am with you always, to the end of the age." – Matthew 28:19*

Dear Parents,

We're stoked that you and your kiddo are thinking about pursuing baptism! It's clearly something that was important to Jesus, so we're happy that it's important to you as well.

The Intention of this Workbook:

We don't want to do a typical "baptism class" at Overlake.

We would rather help YOU be the primary spiritual leader in your home. So we don't want to steal this teaching opportunity from you... instead we want to help *you* with it.

So this workbook is meant to be done *with* your kiddo. It shouldn't take much time, and it'll give you good direction so you can do two things with confidence: 1) Teach your child about baptism. And 2) Determine if they're ready, or if they should wait a bit longer.

We (you, your kiddo, and someone on the Kid's Staff) will go over the content of this booklet at our "Baptism Meeting," which will happen the week before the scheduled baptism, if you think they're ready.

Looking forward to that meeting!

parent prep // key scriptures

You don't have to be a Bible scholar to teach your kids spiritual things! So here are the basics about baptism. (Look over these *before* you sit down with your kiddo.)

Jesus told us to baptize his disciples (followers)

"And Jesus came and said to them, 'All authority in heaven and on earth has been given to me. Go therefore and make disciples of all nations, **baptizing them** in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you...'"

– Matthew 28:18-20

A symbol of entering into the death/resurrection of Jesus

"Do you not know that all of us who have been baptized into Christ Jesus were **baptized** into his death? **We were buried therefore with him** by baptism into death, in order that, just as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life."

– Romans 6:2-4

It's an outward sign of an inward commitment of faith

"When they **believed** Philip as he preached good news about the kingdom of God and the name of Jesus Christ, they were baptized, both men and women. Even Simon himself **believed**, and after being baptized he continued with Philip..."

- Acts 8:12

It comes right after "conversion" (new faith)

Those who received his word were baptized, and there were added that day about three thousand souls.

– Acts 2:41

frequent questions

Here are the answers to a few commonly asked questions about baptism:

Does a person *have* to be baptized to be saved?

Answer: Nope. Although there is no excuse *not* to be baptized, nothing can be added to *faith* as the one saving act. Faith in Christ alone saves us. Anything else is called “works based righteousness,” and we are not fans of that!

What if I was baptized when I was a baby?

Answer: We would view that as a “dedication,” not a “believer’s baptism.” They are different. We would invite you, if you’ve placed your faith in Christ, to be baptized as a sign of your faith.

Who should be baptized?

Answer: Everyone who puts their faith in Christ! Anyone who confesses with their mouth and believes in their heart that Jesus is Lord should be baptized.

What if I was baptized years ago, but fell away? Should I be re-baptized?

Answer: Nope. No need. We don’t see anyone in the Bible being baptized more than once. You’ll need to repent regularly for the rest of your life, but you never have to be re-baptized. It is a one-time event. *That’s why we caution parents with young kids under 2nd grade who want their kids baptized. Reality is: they’ll want to be re-baptized in their teens... we promise you! And that’s a hard conversation to have...

parent-child discussion

Parents, this is for you to sit down and have a discussion with your kiddo. We suggest you don't just get *their* answer, but you tell them *yours* too. Take your time, and do this together...

What is the Bible? What do you know about it?

What's your favorite story in the Bible?

What happened with Adam & Eve? What did they do?

What's the word for things that make God angry or sad? (Hint: It starts with an S!)

Has everyone sinned? What about really nice people?

Can you remember any sins you've done?

What happens to people who sin? Does God discipline them? Why?

What did God do to rescue us and forgive us of sin?

How do we get forgiveness from God? Do we just have to be really good to make God happy?

When we go to church on Sunday, we sing... why?

What questions do you have about the Bible? What is confusing to you?

the who & what

Parents, this is meant to help you explain what baptism is. Use the discussion questions below & others that come to mind.

Who gets Baptized? Let's look & see...

Let's read the Great Commission (which is Jesus' big assignment for us) together and see who is supposed to get baptized... Jesus said:

*¹⁹ ... Go and make **disciples** of all the nations, baptizing **them** in the name of the Father and the Son and the Holy Spirit.*

First... What do you think a "disciple" is? (If you don't know, let's look it up!)

And who is the "them" in that verse? Who gets baptized?

So the question is, are you a *disciple*? Do you think you are? How come?

What is Baptism? What happens?

The word "baptism" means "to put in the water." But baptism is more than just dunking your cat in water... as much fun as that is!

Read this story about someone getting baptized, and see what Baptism is:

*³⁶ As they rode along, they came to some **water**, and the eunuch said, "Look! There's some water! Why can't I be baptized?" ³⁸ He ordered the carriage to stop, and they **went down into the water**, and Philip baptized him.*

So... What happens to a person when they get baptized?

Who does it to them?

the why & where

Parents, here are more discussion questions for you.

Why do people get baptized? Should I?

Hmmm. So we know that *disciples* are the ones who get baptized... and being baptized means someone else dunks you in water... but WHY?

Let's read Romans 6:3-5 to see *why* people get baptized:

... "That is what happened in baptism. When we went under the water, it was like leaving the old country of sin behind; when we came up out of the water, it was like entering a new country called grace—a new life in a new land!"

That's what baptism into the life of Jesus means. When we are lowered into the water, it is like the burial of Jesus; when we are raised up out of the water, it is like the resurrection of Jesus."
(message version)

So what does that mean? Who are you being like when you get baptized?

Where do people get baptized?

Let's read Acts 2:41 to see *where* people get baptized:

'Then those who people who accepted what Peter said [about Jesus] were baptized. About 3,000 people!...'

Do people get baptized in front of other people, or alone, so no one can see?

Why do you think baptism is done in front of lots of people?

child testimony

Kids, write your answers, with no help at first...

Do you want to be baptized? Y N

If yes, *why* do you want to be baptized?

What does it mean to be a Christian?

When did *you* become a Christian?

Why did you say yes to Jesus? Why did you say yes to following Him and loving Him?

Do you believe that Jesus has saved you from your sin?

Do you promise to follow Jesus for the rest of your life?

parent assessment

Parents, we want to caution you here. It's very tempting to just assume your child is ready to be baptized. We'll ultimately leave it to your discretion, but here are a few things to consider before you say yes:

(you don't have to write your answers)

Does your child truly grasp the weight of their sin?

We think that *most* kids can't grasp it until they're in 1st or 2nd grade, though there are exceptions...

Does he/she understand Jesus' work to clear them of that sin?

Have you prayerfully considered your child's faith, and do you feel like baptism is the next step of their faith? Or should they wait?

Our experience is that nearly all kids who are baptized before they are 13 years old will want to be baptized in Junior High, claiming that their faith "became real" and "their own" in Junior High. Just another word of caution.

Are you convinced your child is making this decision because of their own faith, not because of pressure they feel from you or the church?

"Next Steps" are found on the back cover.

And please consider keeping this notebook as a way to look back on this important time in your child's life!
