**OCC FINANCE UPDATE:** It took us just a little bit of time to finish reckoning the numbers from last years General Fund, but we wanted to report how the year closed. At the start of November, we were \$527k behind our budget, and every week that followed Overlake responded to the need, and we moved in a positive direction. We ended the year in the black, meeting our budget, and exceeding it by \$58k. Let's celebrate this amazing example of loving unity and prayerful teamwork, as well as this beautiful picture of God's provision over His Church! May the Lord bless you, OCC, for your financial faithfulness and generosity!
