

# Weekly Family Devotional

## Noah and the Flood

Watch this week's KidTown Webpisode with Jon, April and Sarah!

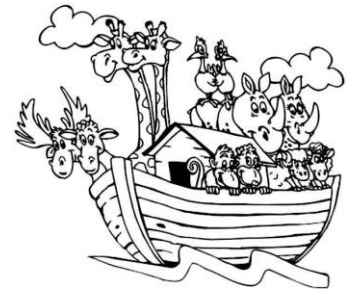

Scripture: Genesis 6 - 9:17

Parents, this is a loooooong passage to read, especially for those younger kids. Feel free to choose the sections you would like your family to read or read a storybook version of Noah's ark.

### Family Discussion

Parents, feel free to use these questions as conversation starters. For older kids, encourage them not to just answer the questions, but to really think about what they are answering.

1. Why did God flood the earth?
2. How did God take care of Noah before the flood?
3. What sign did God give to Noah and his family after the flood?
4. How did Noah know that it was ok to leave the ark?
5. How has God been there for you? How has He taken care of you?
6. Extra question just for fun! How do you think all the animals got along being in one BIG boat?

### Fun Family Activity

Collect cardboard boxes and make an ark! Get creative with crayons, markers, tape, and toy animals. See how big you can get your ark! When you are done, post a picture of your family's ark on the KidTown at Overlake Facebook page.

Play animal charades (This is a great activity for the younger ones). Print out the sheet animals to cut into squares. This way those non-readers can play too! One person draws a slip of paper and acts out the animal while others guess.
