

KITALE, KENYA MISSION TRIP
Approx. Dates: Nov. 4-15, 2019

Deadline to Register - July 1st, 2019

Join this exciting team as they head to Kitale, Kenya! Almost 2 years ago we launched The Kitale Project at Overlake, a church-wide effort to rescue children from the streets in Kenya and reintegrate them back to loving families. In partnership with Agape Ministries, this team will get to see first-hand the project and where our funds have been going to. We will participate in serving the community, offering trainings, working with street children, and sharing a heart of love for people on the other side of the world. Although we have specific ministry times planned, we would love to know if you have a special skill or training (medical, ministry, education, arts/crafts, etc.) and can plan some ministry opportunities around your specific contribution.

MINISTRY PROJECTS

- **AGRICULTURAL TRAININGS:** We plan to offer agricultural trainings for members in the community in order to strengthen impoverished communities who care for these children.
- **LEADERSHIP DEVELOPMENT:** We will encourage, pray and possibly participate in the training of trauma informed care with the leadership team on the ground.
- **CHILDREN'S MINISTRY:** The team will assist in a VBS style ministry with the children currently being cared for by Agape in Kitale. We will also be ministering to children during workshops or trainings held for their parents.
