

**SPAIN & NORTH AFRICA**  
**Approx. Dates: June 1-15, 2019**

**Deadline to Register - Jan 15, 2019**

This trip will briefly have the opportunity to visit Monte Olivos, an OCC partner ministry in Spain, which provides a place for workers from the Muslim world to come for discipleship training. The team will get to meet, encourage and interact with students from all over the Middle East, North Africa and Europe. The team will then spend the majority of their time visiting several cities in North Africa to focus on encouraging our ministry partners there and learning about their projects. We will specifically come alongside and better equip workers who are caring for children with disabilities. We are seeking a few medical professionals who have a heart for children with disabilities, especially any Physical Therapists or Occupational Therapists to join this team. This trip will emphasize relationship building with workers and believers from a Muslim background and you will surely walk away with a greater vision for the world around us!
