

# What are you sensing?

## PARISH PRAYER WALK

We are going on a special kind of walk today where we listen.  
We listen to the neighborhood and to God.

### EYES

What do you see  
with your eyes?

### EARS

What do you hear  
with your ears?

### NOSE

What do you smell  
with your nose?

### HEART

What do you hear  
with your heart?

### FEET

What are you  
hearing as you  
listen and walk?

**“Love your neighbor as yourself.”**  
- Jesus

*“Work for the good of the city where I’ve taken you  
as captives, and **pray to the Lord for that city.**  
When it prospers, you will also prosper.” Jeremiah 29:7*
