

OCCSM LEAVENWORTH FAQ

Where do we stay? OCCSM takes over a little mountain chalet called the "Leavenworth Festhalle" at the end of town...it is a large building that lets us structure in a stage for the worship band, an audience seating area, and a kitchen/eating area. The Middle School Guys stay at the Festhalle on the cold hard concrete floor with their tough little bodies & courageous spirits....plus warm sleeping bags & sleeping pads. Middle School Girls are staying at the local high school...same need for sleeping bags & pads. ☺ Meanwhile, the entitled and soft older High Schoolers will be staying in a hotel at the other end of town....**still bring your sleeping bag though b/c you may draw the short end of the stick and floor surf!**

How do we get there? Good old-fashioned school buses.

What is the part that is like Man vs Wild? MS Guys have no access to showers or loofahs! Their sweat forms a layer on their skin that is warm & insulating. MS Girls like to bring baby wipes to give themselves birdie baths in case they scorn the gym showers, but the guys just tend to stew all weekend in their own juices. (pack extra socks! It is gross to get your socks wet in the snow and have them ferment on your feet overnight!)

Will there be snow? GUARANTEED! Bring gear to stay warm & dry! Label your stuff!

How do small groups work? Same gender & pretty much same grade level....5:1 student to leader ratio. 24/7 supervision outside of potty breaks! #prayfortheleaders

Any miscellaneous things to know?

Friday PM: SCHOOL PRIDE NIGHT...come dressed in your school gear!

Saturday PM: TWINNING NIGHT....find a friend to dress like, or as a group all dress alike!

Some groups spend time in town shopping, so you may want to bring a few dollars for a hot cocoa! Plus don't forget \$\$\$ for fast food on our ride up! But don't bring so much \$\$\$ that someone is tempted to pickpocket u!

THE TALENT SHOW WINNERS WILL BE NOTIFIED PRIOR TO CAMP SO THEY CAN PACK THEIR COSTUMES, FLAME THROWERS and LEFT SHARKS AND ENTOURAGES.
