

PUERTO RICO
Rebuilding Homes
March 2019

Deadline to Register - December 1, 2018

As many of you know, a devastating hurricane hit the island of Puerto Rico in 2017, leaving much of the island in desolation. On this trip you will be visiting the Central part of Puerto Rico, concentrating on the cities of Utuado & Jayuya. These areas have received little aid and assistance. We will be partnering with a ministry called Manati Missions to help in the repair and rebuilding of homes impacted by Hurricane Maria. Not only will we put you to work, but you will also have the opportunity to fall in love with the people you will meet along the way and the culture. Our local hosts Luis, Grisel, Victor, and Janet are known for inviting visitors into their homes and treating them as honored guests. Be prepared to be welcomed as part of their family the moment your feet hit the ground on this beautiful island. The Puerto Rico mission trip will give you and the entire team an opportunity to experience a rich culture and serve among a people with a great passion for the Lord.
