REDLIGHT OUTREACH

PATTAYA, THAILAND

Join this exciting opportunity to make a difference in lives of women trapped in sex trafficking. The team will travel to one of the largest destinations for sex tourism in the world with an estimated 200,000 people trapped in the sex industry. We will work alongside our partners, Not Abandoned, to offer women a way out of this life of oppression and bondage through their “Employment Education Center” which offers jobs skills training and resources for women to find new and safe jobs. The primary intent of the REDLIGHT outreach trip is very simple, we show up and we love. This is an experience that will grip your heart and forever change you!

Training:

The first 3 days you will be trained on how to care for trafficked victims, principals of trauma care, exposure trips around the city, and of course learn the basics of Thai culture so that you’re fully prepared for outreach.

Outreach:

After training, every evening, with a Thai interpreter, you will visit women in the bars in order to build friendship, listen to their story, play games with the women or perhaps share a meal together.

Opportunity:

The biggest goal of the outreach is to simply offer hope and love to these women through friendship and by introducing them to the resources available to them at the “Employment Education Center.” The highlight is that at the conclusion of the week we throw a big party for our new friends!

PREPARATION

We recognize that joining a mission trip can feel a little intimidating. Please know that you don't need to have any special qualifications or be a spiritual giant to be able to serve on a mission trip. We are committed to help train and equip every team member for this experience. We will not drop you in the pool without first learning how to swim. Although in order for you to get the most out of your experience this what we will expect of you.

Training Meetings: We will ask for your commitment to attend training meetings. These are vitally important to your preparation and the preparation of the team. There will be around 6 meetings.

Prayer Team: We will encourage you to build a prayer team of around 5-7 people who will commit to both pray for you and for the team.

Financial Team: We do not expect that you will pay for your trip completely on your own but we encourage you to seek others to be part of your team through financial partnership. Don't worry, we will train you on how to do this!

Attitude: One of our biggest asks is that you will approach this experience with an open heart, ready to hear and respond to God's work in your life. Come learn, serve, be challenged, and ultimately be changed!

"If you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday." -Isaiah 58:10
